Ethos Statement

Over this year we have been reviewing our ethos statement. We really wanted it to encompass the feeling of being together as this was something we had previously all taken for granted but during the terms affected by the pandemic was something we had really missed.

Following our consultation with staff, governors, children and parents the final option went back to classes last week for the final decision. We are delighted our new statement is:

We are all unique: We inspire, believe and achieve together

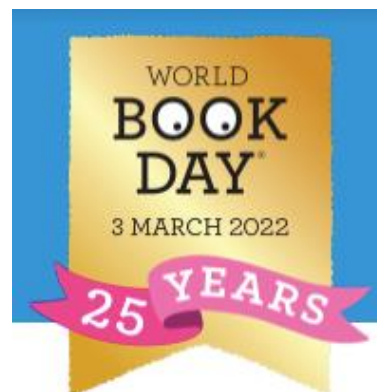

World Book Day

World Book Day is on Thursday March 3rd this year and we would like to mark this occasion by asking your child or children to dress up as their favourite non-fiction / fictional character.

In addition it would be great for them to also bring in the book or find one in the library that matches their chosen character as it provides an opportunity to discuss their choice and hear about the character. Although it is optional to dress up, we feel it's a good opportunity to celebrate their love of books and the wonderful literature that is on offer. Good luck with the costume hunting and thank you in advance.

For ideas and inspiration here is a link to their main website

<https://www.worldbookday.com/>

Parents' evenings

Parents' evenings will be taking place the week of the 7th and 14th March. We will send an email when you are able to sign up on Parentmail.

Request for board games

We would really like any simple games like Snakes and Ladders, Guess Who, Connect 4, Jenga etc. to add to our collection. Please can any donations be dropped to the school office.

Non-uniform Day Friday 18th February

The Friday before half term is a non-uniform day. The charity chosen is Balloons, a local charity who provide a range of support including 1:1 Grief Support for 5-25 year olds in school or at home.

Nursery

If you are thinking of using the school nursery in September it would be helpful if an expression of interest form could be filled so we are aware of future numbers. Please come and get a form from the school office.

Bike Helmets

We have heard of a near miss with a child cycling out in front of a car. Please remind children of road safety advice and to wear their helmets.

Year 5 will have the opportunity to do Bikeability later this term.

Red Nose Day

We will have a dressing up / non-uniform day for Red Nose Day on March 18th. Children can dress up with the Red Nose day theme which is as Superman, Wonder Woman, a superhero of your own creation, or a local hero in your community or they can wear non-uniform. We are hoping to have noses for sale that week.

FISH Holiday Club will be running from Monday 21st - Thursday 24th February, with lots of fun crafts, baking, outdoor games, science experiments, bouncy castle and Nerf games, suitable for all ages! You can book your child's space by visiting <https://www.funinschoolholidays.co.uk> or you can contact the Two Moors FISH on 07597 129021 or email debbie@fishkids.co.uk

During term time FISH are open 7.30am to school drop off and 3.15 to 4.30pm, or 3.15 to 6.00pm (only to 4.30pm on a Friday).

CHILD SAFEGUARDING

We recognise our moral and statutory responsibility to safeguard and promote the welfare of all pupils. We endeavour to provide a safe and welcoming environment where children are respected and valued. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice. The Designated Safeguarding Lead (DSL) for Child Protection within school is Mr. Boraston.
