

TWO MOORS PRIMARY SCHOOL

YEAR 3 INFORMATION

Dear Parents/Carers,

We're delighted to welcome you and your child to Year 3. Below is some helpful information about our routines and expectations to ensure everyone gets off to a great start.

The start of the Day

Children are expected to meet their teacher at the gate next to D3's classroom. The doors will be opened at 8.40am and children will then go to the cloakroom to hang their coats/bags on their peg. Next, children will take their packed lunch bag to the classroom to be stored in a safe place, also remembering their book bag.

Children will have the opportunity to go to the library during the day to change their reading book after completing an Accelerated Reader quiz and achieving a score of 80% or more.

Registration is at 8.55am. If your child arrives after this, they need to go via the office and will be marked as late.

Year 3 Mornings

Having arrived in class, the morning session will start promptly with an early morning activity which enables the children to settle down and 'warm up' for the morning lesson.

Mid-morning Fruit/Snack.

Children are NOT provided with fruit at break time in Key Stage 2 however snacks are available from the kitchen for £1.00 a week. These can be purchased through SCOPAY. Alternatively, we would encourage you to provide your child with a healthy snack and a bottle of water **only**

to keep them hydrated throughout the day as this will improve their concentration and health.

Lunchtime

This will take place from 12.15 to 1.15. Part of the time will be spent eating lunch in Exmoor hall and during the other part children will be on the playground.

P.E.

Children are expected to come into school wearing their PE kit on PE days. The kit is a white t-shirt, black shorts or black tracksuit bottoms and black plimsolls or trainers. The PE days for Year 3 will be **Tuesday and Thursday.**

Please label all clothes clearly as this makes finding and returning lost items so much easier.

Homework

Homework will be given out on a Friday and must be returned by the following Wednesday. Regular reading and times tables practise is also expected. All children are expected to do their homework each week.

Medication/Holiday/Absence Forms

Please inform the office before 9am if your child is going to be absent. If your child requires prescribed medicines to be administered at school, please complete a green medical form first, which can be found at the office and inform your child's teacher. Please note that we cannot administer non-prescribed medicines.

Certificates

In celebration assembly, on Friday, children will receive their certificates from Mr Dutton in recognition of their hard work and progress. If children have received any awards, certificates or medals outside of school and would like to share them with rest of Exmoor or their class they can bring them in.

The End of the Day

Children will be escorted to their collection point at the gate by D3's classroom. They will be encouraged to identify their parent/carer and let their Class Teacher or Teaching Assistant know before safely joining their parent/carer.

Children will be told to come straight back to the teacher if they cannot reach their adult.

N.B. If your child is going home with a different adult please inform the office or your child's teacher ASAP.

Clubs

Activities/clubs are available after school and these are detailed in the school clubs timetable available from the office and on the website. An email is sent out each term with a link to book these online.

A weekly timetable detailing your child's lessons/activities will be on the class page of the school website.

Curriculum

During this year, your children will be expected to learn and know the 3, 4 and 8 times tables. The children will also be learning the Year 3 and 4 National Curriculum spellings. We will work on these regularly in school but any further learning at home will help your child to learn these facts more quickly.

We have reviewed our curriculum and have created a curriculum that meets the needs of all our pupils whilst ensuring it is interesting, exciting and relevant for our pupils. Please follow the link to find out more about our curriculum, what the children will be learning and how it is mapped out across the year groups.
